A REGULAR MEETING of the members of N.S. C. A., Inc. was held on Saturday, October 5, 1997, at the Ramada Inn, Bluefield, WV, following the membership dinner. President W. C. Stump announced the presence of a quorum for the transaction of business.

The minutes of the last meeting were not read due to not being available due to the resignation of the Secretary, Sandi Underwood, in May of this year.

President Stump read the Treasurer's Report and informed the membership of all actions taken in the Executive Committee meeting of the previous day. (See minutes of the Executive Committee for details.)

For the first time in many meetings, no displays were presented and President Stump made an appeal for members to display their collections in the future.

Motion to adjourn was made by Harold Snodgrass, seconded and passed by all.

The floor auction followed.

## COMMENTS FROM THE STUMP

The Bluefield meeting is now history and with the exception of a major hassle from the staff of the Ramada Inn assigning rooms, the show went well. Business was brisk, but not that usually experienced at a Bluefield meeting but, overall, everyone was pleased. Harold Snodgrass is to again be commended for his effort at hosting the meeting. Harold now passes the torch to Jack Chapman, Bill Brock, and Jim Singleton who all indicated that they would host the next West Virginia meeting in 1998.

Major changes in the future operation of the organization, mainly how the auctions will be held, were made at this meeting. (See minutes of the Executive Committee for details.)

Membership renewal is at hand and it is important to note the new requirements for renewing your membership for 1998 as outline in detail in this issue of *Scrip Talk*. Check your mailing label to see if your dues are due. If so, act NOW.

Plans for the Spring Meeting are now underway. We will be visiting Central Kentucky in May, 1998. The meeting will be held at the Everly's Lake Malone Inn, Dunmore, Ky., in the Lake Malone State Park. Claude Travis, Jr. will be the host and has a great meeting planned. The site is located in a rustic stone and wood lodge located in the rolling countryside off Highway 431 South of Dunmore, Ky. You may call 800-264-5602 to make early reservations or write me for a color flyer complete with a map. Additional details will be available in the February, 1998. Issue of *Scrip Talk*.

I want to take this opportunity to wish each and every one a merry Christmas and a very happy new year. For me, this month is a very special time for me for one year ago I was given another chance at life when I receive my new heart. I haven't forgotten your support during that most difficult time of my life. God bless each of you and let us all work together as we begin the next 25 years of continued great friendship and scrip collecting.

## SCRIP USED BY DANIEL BOONE

By: W. C. Stump

Our Honorable General Counsel, Steve Cawood, is an avid student of Kentucky history. If a good "scrip tale" is discovered in his research he is always eager to share the information with his fellow scriptors. One such story was passed to me this month. It deals with probably the earliest use of scrip in Kentucky and by one of the states legendary personalities: Daniel Boone.

While reading what is considered as the best biography of Daniel Boone by John Mack Faragher, titled "Daniel Boone", the noted Kentucky historian describes Boone's life during his fifties and sixties. This period covers from 1780 to 1790. Boone operated as a trader at Limestone (Maysville) Kentucky. Faragher writes, "He (Boone) used scrip, issued by a Louisville trader, backed by beaver skins", P. 237. His principal shipments east seem to have been ginseng (sang - as much as 15 tons at a time!), and horses bred in Kentucky. He describes Boone as a "militia suffer", P. 236, housing troops of George Rogers Clark and various Indians, as well, for whom he billed the Virginia government for both their lodging and supplies. According to Steve, "Apparently particularly in later years, a principal buyer/creditor of Boone's was Thomas Hart at Hagerstown, P. 262.

Steve says that he was "blown out" at this early use of scrip in the Kentucky territory.

What kind of scrip did Daniel Boone use? Was it metal or paper? No hitherto information is available at this time. However Faragher's sources refers to this currency as "beaver scrip", found in a promissory note file of Boone's dated 12/16/1786, miscellaneous manuscripts, box 4 in the Archibald Henderson Collection at the University of North Carolina, pp 397 & 363. If anyone has any information at to the type of scrip used by Daniel Boone, send you information in for future expansion of this story. In the meantime, good luck "Daniel Boone" Cawood in your quest for information of Boone's scrip.

## WEST VIRGINIA TOKENS TO BE DELISTED FROM CATALOG

As part of the process of cataloging the merchant trade tokens of West Virginia for a book which will be published by the Token and Medal Society next year, one of the things I did was to review all of the tokens listed in the Edkins catalog of coal scrip which didn't have the word "coal" in their legends. As I did so, it became apparent that some of the listings definitely were not coal, while others very likely were not.

Obviously a token should not be listed as coal unless that is what it is. Therefore, the companies listed below will be listed in the merchant token book and not in the next edition of the coal catalog, unless evidence is forthcoming to prove that they were, in fact, coal companies.

I have only listed the first catalog letter used by Edkins for each merchant. Naturally all other listings for that merchant will be delisted also.

Correspondence from collectors having opinions concerning any of these tokens is solicited. Listings of West Virginia merchant trade tokens are also welcome.

## SCRIP TALK EDITOR NEEDED

By: W. C. Stump - Editor

In 1994, I agreed to become the Editor of *Scrip Talk* until a full time Editor could be found. I have enjoyed putting out our newsletter, but the time for the journalistic torch to be passed has arrived. Despite severe heart surgery in 1996, I managed to carry out the duties of Editor. However, yet another major medical problem has arisen that may force me out of action. I have developed Diabetic Retinopathy and have been informed by my doctor that I will lose the sight in my right eye. He hopes to save the sight in my left eye, but my future use of the computer is in doubt. That leaves me no choice but to resign as your Editor if the worse prediction becomes reality. Therefore, I solicit your help in finding someone to take over the duties of Editor as soon as possible. Please contact me if you are willing to become our new Editor starting in 1998.

Mark the first week end in May, 1998, on your calendar for the first big event of the year for scriptors. The N. S. C. A., Inc. will come to the Lake Malone State Park, located at Dunmore, Ky. for the Spring meeting. The Everly Lake Malone Inn will be the weekend home for all members and guests. ## **SCRIP TALK OPEN TO INDIVIDUAL MAIL BID AUCTIONS AS OF JANUARY , 1998.**

Beginning with the February 1998 issue of *Scrip Talk*, anyone may advertize a mail bid auction. Also, only two mail bid auctions per year will be offered by the NSCA, Inc. These will correspond with the semi-annual meetings held in May and October of each year. These two auctions will be a combined mail bid/floor auction and will feature high quality rated tokens of a rarity rating of at least R-7 and above. Special lots and sets of lower rating will also be offered as well as fixed price sales.

## **ARTICLES OF INTEREST NEEDED FOR FUTURE PUBLICATION**

Articles of interest are desperately needed for future publication in *Scrip Talk*. If you have a story related to our great hobby, or come across an interesting article of the past that you think our readers would enjoy, send it to the attention of the Editor. Input from our members keeps our hobby number one in the field of token collecting.

## AMY'S CORNER

By: Amy Harp

As Assistant Editor this is my first article published in *Scrip Talk*. I thought it would be appropriate to formally introduce myself. First of all, I come from a family filled with coal miners. I grew up in the Clover Fork area of Harlan County, Kentucky. I strongly respect the coal mining industry and what the workers stand for. I became interested in Scrip collecting about 2 years ago. As some of you may already know, I started working for our President, Mr. Bill Stump, in May of 1995 at the Village Gun Shop, Inc. Although I no longer work there, along with my friendship with Bill I carried with me the interest in collecting scrip and the things that our ancestors preceding us went through to make ends meet.

So as your new Assistant Editor I hope to provide you with insight and accurate information regarding our wonderful club as well as the reminder of what it really means to you and I to be a part of history in the making.
